14 1. Some remarks appear necessary regarding the loan due from Mr. D.V.Giri.

15 2. There is some mistake in the statement of loans to Agricultural Banks. It was stated last year that sums of Rs.5,57,138 and 3,19,436 were recove-red towards principal and interest respectively up to end of 1913-1914. In the statement under review it is stated that sums of 4,49,973 and 2,66,908 were recovered towards the the two items up to end of 1914-1915. Some explanation appears necessary regarding the difference. Apparently some ~~xx~~ items have been omitted in the Comptroller's statement.

16 3. A/S Fit will please put up a revised draft with correct figures.
